

**Bogalusa City Schools
Announces Summer
Learning Program for 2021**

The Bogalusa City School System is excited to announce our plans for a summer learning program for students, grades K – 8. The Learning Program will offer Language Arts and Math tutoring in small group settings. The program will also provide enrichment classes that will enable our students to have fun while learning. We will offer enrichment opportunities in the areas of sports, as well as art, theater, music, dance, and more. We also plan to have a summer learning program for 9 – 12 grades. Stay tuned for more information.

We will offer this program on Mondays through Thursdays for a total of four weeks, beginning June 7th and continuing to July 1. The program will run from 8:00 – 3:00 each day.

Students will be offered transportation to and from the program, receive a summer learning t-shirt, and have meals provided.

Please complete the survey below if you are interested in enrolling your students in the program. This is not the actual application, but just a short survey to determine interest for planning purposes.

Sign up information will be released in a few weeks.

We hope to see you this summer for fun filled days to play, learn, and grow together!
